Announcement

REMEBER TO SUBMIT.

File Upload Troubleshoots:

-> You can write all the short question-answers in BuX answer block only. No need to upload PDF files.

-> PDF upload is not mandatory. You may/ may not use it. If you prefer file upload, upload only one PDF in any answer block. Please do not make multiple PDFs.

-> When you upload PDF file then you must write something in the description box of the file upload. (Ex: file name/ question number etc). Otherwise file upload can not be done.

-> PDF must be the image of handwritten answer. You must write your ID and Name at the top of the PDF.

-> After writing your answers, Must click on the submit button. A window is popped for submission confirmation at the top of BuX page. Some of you think that is a problem with the web page and it is not responding. But it is not a problem with the web page at all. It just alerts you before submission. Just click ok and proceed.

-> Remember, We will not check saved answers if you can't submit.

-> It's your responsibility to be ready with alternative options if there is problem with internet, electricity, mobile, computer, scanner etc.

-> For any queries, you have to talk with faculty in discord within the exam time. If you don't check messages in discord before and after the exam time for any reasons, we can't help.

Unacceptable:

- > Plagiarized answers
- > Email submissions
- > Saved answers
- > Screenshots as means to proof that you had a problem during the exam.

Acceptable:

-> If you can not upload the PDF then upload the file in your Google Drive and paste the link in the BuX answer block. Remember to give access to your faculty. You have to do it within the exam time.

1. (a) Define the purpose of the connectors used with coaxial cable. Mention the applications of fiber optic cable. [5 marks]

1. (b) What is the purpose of four pairs in UTP cable? Mention some examples when Crossover cable is used for communication. [5 marks]
